# Brentford Community Stadium

## PUBLIC EXHIBITION

Our proposed detailed designs  
for the Duffy site

Aerial image of the site.

**EcoWorld London, together with development partner Brentford Football Club, is hosting a public exhibition on the proposed detailed designs for the Duffy site – the final residential phase of the Brentford Community Stadium project at Lionel Road South.**

The site received outline planning permission for 275 homes across three blocks in 2014.

We are now bringing forward detailed designs for this site and would like to hear your views on these before we submit a planning application to the London Borough of Hounslow in the New Year.

This is your opportunity to:

- Find out about our designs.
- Meet members of the project team.
- Ask any questions you may have and share your feedback.
- Catch up on progress on the construction of the new stadium and first phase of homes.

The exhibition will be held at the  
**Duffy Site Office**  
**Lionel Road South**  
**TW8 0JA** on:

**Tuesday 4 December, 3pm-8pm**

*You can access the exhibition via the site entrance on the left hand side of Lionel Road South, if coming from A205 Chiswick High Road. Lionel Road South is open to pedestrians only and there will be no parking available.*

If you are unable to attend the exhibition and would like further information, please get in contact via email [info@brentfordcommunitystadium.com](mailto:info@brentfordcommunitystadium.com)

Material from the public exhibition will also be available via our dedicated website [www.brentfordcommunitystadium.com](http://www.brentfordcommunitystadium.com) from Tuesday 4 December 2018.
